## Prologue - The Awakening...

**Prof. Xandau** *This is the beginning of a new horizon*  
**Prologue** *the first step into another dimension*  
*The clock is set; the time is right*  
*bless the discoverers' great divine*  
*Sit down and lean your body back*  
*make yourself comfortable*  
*close your eyes and embrace the black*  
*Prepare for a journey through mazes in mind*  
*a travel through changes of turbulent time*  
*To fall apart with the civil art is a sacred curse*  
*Welcome to my world, my grand design...*  
***The Artificial Universe...***

## - Blissful Confusion -

**Karma** *Processing...protecting...*  
*All systems failed...processing...*  
*Total breakdown...*

**Demonic** *Awake, asleep...*  
**Chat-Room /** *Undead, unreal...*  
**State Of** *Silence, echoes...*  
**Mind** *Hollow shell, living hell...*  
*Sunlight, moonlight...*  
*Insight, starbright...*  
*Sweating bullets, heartbeats...*  
*Screams, dreams...*  
*Solutions, confusions...*  
*Illusions, conclusion...*  
*Denial, betrayal...*  
*Cynical, miracle...*  
*Headache, heartache...*  
*Fake, break...*  
*Anxiety, lunacy...*  
*Humanity, possibility...*  
*Research, rebirth...*  
*Paranoia, insomnia...*

**Prof. Xandau** - "Hello Mister, do you "MIND" and step into my office please?"

## Chapter I - Silhouettes... 00.01

**Karma** - "Go...go...go...go...go...go...Goin' sane...go insane...goin' sane?"

## - Dream Another Dream pt. I - 02.01

**Mind-Sphere** *Am I awake or asleep?*  
*I can't tell if it's real*  
*Is it midnight or day?*  
*Am I going insane?*  
*It's too late to understand*  
*I'm lost in neverland*  
*My body turns to stone, I am not alone...*

- "Voices inside my head..."
- "Visions take me away..."

*I try to close my eyes  
and start to visualize  
It's too late to turn around  
lost to never be found  
My world is upside down  
my mind is inside out  
I have lost control  
and the presence of my soul*

*Silhouettes are calling...me  
Silhouettes forever...free  
Silhouettes are changing my entire world  
In my mind confusion...streams  
Sometimes I just wanna...scream  
Maybe I will Dream Another Dream tonight*

*I'm not afraid of the dark  
can see myself from afar  
I fear the anger inside  
and what's behind my eyes  
Something's coming nearer  
Nothing's getting clearer  
I fall into the zone, of my own...reality...*

*Silhouettes are calling...me  
Silhouettes forever...free  
Silhouettes are changing my entire world  
In my mind confusion...streams  
Sometimes I just wanna...scream  
Maybe I will Dream Another Dream tonight*

## **- Escape The Reflections - 04.46**

### **- World Outside - 08.14**

- The Mind** *Inside looking, out to nothing, keeping dreams and past alive  
Keep on holding, on to nothing, beyond the shadow of the mind*
- Demons** - "Run for your life, from the World Outside"
- The Mind** *One hollow, no tomorrow, chasing time of no escape*
- Demons** - "Don't show no fear of yourself, to the crazy World Outside"
- Demons** - "Don't try to be someone else, and connect to World Outside"
- The Mind** *All violence in silence the heart keeps, will never fall asleep*

### **- Dream Another Dream pt II - 10.21**

- Prof. Xandau** *Standing on the edge  
to the world of emptiness  
Outside looking in  
at all the chaos and the sins*

*It's hanging by a thread  
and soon it will be dead  
The purpose of it all  
will make it down the fall*

**Demons** - "Questions will never be told..."  
- "No Answers will be unfold..."

**Prof. Xandau** *Questions are untold  
Answers will unfold  
All the memories are true  
from things we never knew  
The mirror never lies  
it's hidden in your eyes  
Until tomorrows dream  
will be your redeem*

*Silhouettes are calling...you  
Silhouettes are never...true  
Silhouettes are hiding your entire world  
In your mind redemption...streams  
You will find your own...redeem  
Inside tomorrow's dream,  
is another dream...called...real...life...*

## **Chapter II - Time Sessions...**

**Karma** - "7 - 6 - 5 - 4 - 3 - 2 - 1 - and you're gone my friend, have a nice trip..."

### **- The Traveler -**

**Prof. Xandau** *Year after year I struggle through time*  
**Monologue** *facing the fears inside other minds  
Numb and I'm blinded by what I reach  
No explanations, what's into the deep...*

*In silence I travel, a journey inside  
breaking the holy vows of our life  
Shadows from the past dancing through me  
it's hollow, defenceless; this is real not a dream...*

### **- Presence Of Time -**

**The Mind** *New worlds are born it's breathing inside the storm  
The golden cross the search of forever loss  
Beneath the sky an endless and soothing lie  
Oceans of tears has floated away with all the fears  
The meaning of truth left aside...*

**Prof. Xandau** *We're chasing the thunders  
we've forgot the writings on the wall  
Where are all the wonders?  
what we preach will become our fall  
Presence of Time*

**The Mind**      *New world is doomed; it shines in a hidden gloom  
A rising hell count the strikes from the chiming bells  
The meaning of hate comes alive...*

**Prof. Xandau**    *We seek forgiveness  
for truth we read between the lies  
We find only weakness  
inside our rotten souls and minds  
Presence of Time  
our minds, has no  
Presence of Time*

**Demons**        - *"I'm your breathing fire...burning desire..."*  
- *"Join me inside your private hell..."*

**The Mind**        *The world is gone, it's burning inside the sun  
In the name of time our Father is next in line  
The Mothers womb is suddenly the Reaper's tomb  
Creators delight is fading out of sight  
The meaning of death has arrived...*

**Prof. Xandau**    *We rule our own thunders  
the end is where it all begins  
The spell we're all under  
it's the price we have to pay for our sins  
Presence of Time  
our sins, got no  
Presence of Time  
Presence of Time  
Presence of Time*

**Demons**        - *"Welcome to my private hell..."*

### **- ...elsewhere? -**

**The Mind**        *My world is gone everything's shattered  
or maybe I am going slightly mad  
Am I alone, mind over matters?  
as I look for what I never had*

**Demons**        *Feel my pain...*

**The Mind**        *I'm empty and it's driving me insane*

**Demons**        *Well, I don't care...*

**The Mind**        *Been away and I am back again right where I'm started...at nowhere?*

**The Mind**        *Can't see the sun the heaven is blackened  
a crimson rainbow rides across the sky  
Am I the only one, who knows how it all ends?  
as I take a deep breath and chase my time*

**Demons**        *Believe in me...*

**The Mind**        *Beneath my shell the rage is breaking free*

**Demons**        *Son, I will care...*

**The Mind**        *Standing at the crossroad and I'm heading for ...elsewhere?*

## **- Inside The Heart Of Silence -**

- Prof. Xandau** *Floating dreams in an endless swirl  
sculpturing our minds  
Coloured stream from universe  
Civil art of time...of time...*
- The Mind** *I believe in mourningless tomorrow  
without fears, only black tears  
I can see remembrance of my sorrow  
soul asleep, unable to keep my thoughts...*
- Prof. Xandau** *Inside this Heart Of Silence  
lies a sacred mystery and it's fighting to be free  
Outside this world of violence  
shines a place unknown, the beginning of a brand new dawn*
- The Mind** *I am paralysed by truth whom lying and stares  
eyes of red, sees through my head  
I visualize my inner voice and nightmares  
endless fall, into the void I call...*
- Prof. Xandau** *Inside this Heart Of Silence  
lies a sacred mystery and it's fighting to be free  
Outside this world of violence  
an honest fight for truth and it's bleeding and hurting you*
- Demons** *Fight, Fight, Fight, Fight...*
- Demons** *I breathe inside...(you hold my breath...you keep me alive...  
I own your time...(to bring insanity...until death arrive...)  
Nothing to save...(you bleed through my scars...and my wounded soul...)  
Increase the pain...(disarmed and disabled...you've taken control...)*
- Prof. Xandau** *Floating dreams in an endless swirl  
sculpturing our minds  
Shadows lives outside this world  
building fear of life...of life...*
- Demons** *Come brothers, Come sisters, Come gather all around*
- Prof. Xandau** *Who's lost and gone?  
feels like this will go on forever  
Who's lost his soul?  
seems like we will fall down together*
- Demons** *Heart of Silence, rebuild my violence  
Heart of Silence, rebuild my violence  
Heart of Silence, rebuild my violence*
- The Mind** *Shut up get back! Shut up get back!*

**Prof. Xandau** *Now it's time to battle or surrender  
get back for good or lose more pride you could?  
Intoxicate and you will soon remember  
your inner pain into the depth of "what?" will reign...*

**The Mind** *Inside this Heart Of Silence  
I have found my destiny, I'm no longer in a dream  
Outside this world of violence  
I have only one belief and my world will conquer thee...*

### **Chapter III - Into The Depth of Black...**

**Karma** - *"Blood is thicker than life..."*

#### **- The Battle Of The Mind -**

**Demons** *Now!...break you...  
Down...hate you...  
Down...seek you...  
Down...Beseech me...*

**The Mind** *Whatever happened to the golden bliss age  
when the gods laughed and the world kept turning?  
Can you explain why my head is in rage  
or how I can breathe without the fire burning?*

**Demons** *Tormented souls are the reason of lying  
I cannot be reached without you leaving scars  
Fragments of life are simply dreams in denial  
of what you've been told is not to go that far...*

**Prof. Xandau** *What are you afraid of  
your existence in time?  
Can this be a dream catch  
leaving you behind?  
I challenge you demons  
you're losing this game  
I'm using my wisdom  
The Eternal Flame*

**Prof. Xandau** *Into the void, deep down the well of your soul  
inside the dark you'll find imagination*

**Demons** *The prophecy lies, surreal truth has been told  
blasphemy turned into black salvation*

**Prof. Xandau** *What are you afraid of  
your existence in time?  
Can this be a dream catch  
leaving you behind?  
I challenge you demons  
you're losing this game  
I'm using my wisdom  
The Eternal Flame*

**The Mind**     *Help me father  
for I have sinned  
My raging waters  
where the healing begins  
Can't stand this confusion  
of what I might be  
The dark illusions  
my eyes can't see*

**Demons**     *Now!...break you...  
Down...hate you...  
Down...seek you...  
Down...Beseech me...*

*Battle of the Mind...Mind...Mind...Mind...*

## **- Visual Minds - The Eternal Flame -**

### **- NMe – Myself & I -**

**The Mind /**     *NMe - Myself & I*

**Demons**     *NMe - Myself & I  
NMe - Myself & I  
NMe - Myself & I*

**The Mind**     *I can't tell about my secret  
cannot live again  
No one will ever reach it  
will not share my pain*

**Prof. Xandau**     *On my own, on my knees  
Sacred throne and I'll be free*  
**Karma**     *Bridges burned, bleeding skies  
Lesson learned, access denied*

**Prof. Xandau**     *Who are you?*  
**The Mind**     *Who am I?*  
**Prof. Xandau**     *Who are you?*  
**The Mind**     *Which one of me are you talking to?*

**The Mind**     *I will give up and surrender  
cannot fight this anymore  
Too much to remember  
I'm wounded to the core*

**Prof. Xandau**     *On my own on my knees  
Sacred throne and I'll be free*  
**Karma**     *Bridges burned, bleeding skies  
Lesson learned, access denied*

**Prof. Xandau**     *Who are you?*  
**The Mind**     *Who am I?*  
**Prof. Xandau**     *Who are you?*  
**The Mind**     *Which one of me are you talking to?*

**The Mind /** *NMe - Myself & I*  
**Demons** *NMe - Myself & I*  
*NMe - Myself & I*  
*NMe - Myself & I*

**Demons** *Madness, madness, all I wanna give is madness*  
*Sadness, sadness, I laugh when they cry*  
*Chaos, chaos, I live inside every chaos*

**Demons** *Who are you? Who am I? Who are you?*  
*Which one of me are you talking to?*  
*Who are you? Who am I?*  
*Which one of me can you deny?*

**Prof. Xandau** *On my own on my knees*  
**Demons** *...no prayers can be heard...*  
**Prof. Xandau** *Sacred throne and I'll be free*  
**Demons** *...into which one of your worlds...?*  
**Karma** *Bridges burned bleeding skies*  
**Demons** *...do you trust your instincts...?*  
**Karma** *Lesson learned, access denied*  
**Demons** *...hell awaits, your time will come...*

**The Mind** *Who am I?*  
*Who are you?*  
*Who am I?*  
*Which one of me can you deny?*

**The Mind /** *NMe - Myself & I*  
**Demons** *NMe - Myself & I*  
*NMe - Myself & I*  
*NMe - Myself & I*

## Chapter IV – Intuitive Dilemma...

### - Through The Eyes of a Child -

**Prof. Xandaus** *It's so temporary*  
**Dilemma** *like an elder fairytale of life*  
*Sudden momentary*  
*like the stationary blink of an eye*

**Karma** *A silent whisper with an calm inner voice*  
*The chosen one delivers only one choice*

*I wish that I could see the world*  
*Through The Eyes of Child*  
*I wish that I could be the king*  
*of the hill for a while*  
*I wish that I could feel so free*  
*to share a laugh and smile*  
*I wish that I could see*

*Through The Eyes of Child*

*In my darkest hours  
time will seek devour and kill the hope  
The sun will shine behind it  
not able to reach and find it,  
whom only see the shadow of the rope*

**Karma** *The minds in rage no longer in control  
Walk a different stage where confusion  
torments the soul*

*I wish that I could see the world  
Through The Eyes of Child  
I wish that I could be the king  
of the hill for a while  
I wish that I could feel so free  
To share a laugh and smile  
I wish that I could see  
Through The Eyes of Child*

**- A Room With Thousand Doors -**

**Prof. Xandaus** *Why am I bored to death?*

**Intuition** *I've got an itching feeling under my skin  
I run the corridors of hate  
I've got all the answers and I know everything*

**The Mind** *"Ab Denatus, Cor Lacuna, Primarius Somato Tempus  
Ad Genesis, Endo Animus, Primarius Veritas Sensus..."*

**Karma** *Let me in...let me in...  
and I will reveal all of your sins  
Let you out...let you out...  
the time has come; the healing is about to begin*

*I've found the door; I've got the key,  
let's walk the stairs to infinity  
The magic's here, the demons are gone,  
soon we'll find out where we all belong...*

**The Mind** *"Ab Denatus, Cor Lacuna, Primarius Somato Tempus  
Ad Genesis, Endo Animus, Primarius Veritas Sensus..."*

*I've found the door; I've got the key,  
let's unlock the rules of integrity  
There are 1000 reasons to follow the track,  
and too many seasons for the mind to crack...*

## Chapter V – A Purpose of Circumstance ...- 00.00

- *"Or just another innocent child like me?"*  
- *"Do you believe in love?"*  
- *"Can you believe in God?"*

*"The image is now so crystal clear...*  
*I will never cry no more tears....*  
*I am afraid that the new world will stay*  
*I'll protect the new sunrise...*  
*I will make this fear slowly die..."*

- *"Is this Good vs Evil?"*  
- *"Is this a question about the human race?"*

**Demons** - *"The question is to answer..."*  
- *"Who am I?"*  
- *"Who I am?"*  
- *"I am..."*  
- *"Yes, I am..."*

**Demons /** *The Human Race – Unexpected Grace*  
**Prof. Xandau** *Vanishing Rage – Unbroken – Unspoken*  
*The Human Race – Unexpected Grace*  
*Vanishing Rage – Unbroken – Unspoken*

**Prof. Xandau** *Possessions of our mind*  
*will be lost forever...and ever...*  
*Obsessions of our kind*  
*Rise and shine...*

*The final sign...  
Great divine discovered...*

*The rage is falling through  
(The Answer) The Spiritual Surface  
The grace is calling you  
(The Answer) The Spiritual Surface*

## **- Raging Waters Beneath The Spiritual Surface – 06.01**

### **Chapter VI – Abandoned Echoes...**

**Karma** - *“Wake up! You’re already dead...”*

#### **- Breathe (A Momentary Freedom) -**

**Demons** *Closing time no energy  
Leave in quiet serenity  
I’ll be back to get what’s mine  
when the scars are left behind*

*Nothing’s for real in your world anymore...living death  
Something you feel when you walk out that door...final breath*

**The Mind** *All the colours taking shape  
Soul asleep but still awake  
Like a dream within a dream  
I’m reborn into this scene*

*I hear the sound of the silence reach in...breathing out  
I’ve found the focus and balance within...reaching out*

**Prof. Xandau** *Clear your head, just take your time and surrender...  
Breathe in, Breathe out...  
Take a pause, and a little break and remember...  
Reach in, Reach out...  
Breathe in, Breathe out...  
Within, Without...  
Breathe in, Breathe out...*

**Demons** *Denial – You liar – Desire – You belong to me...  
My trial - You liar – My fire – I’m your destiny...*

#### **- Mr. Make Believer -**

**Karma** *What you see is not what it is...what it is  
What you feel is just illusory bliss...illusory bliss  
What you hear is always something else...*

**Demons** *You Liar – You Liar...*

**Karma** *What you fear is nothing but your inner self...*

**The Mind** *What I am...  
I’m a Believer; in you, in me, in the past...  
What I am...*

*I'm a Believer, in truth, and I'm free at last...*

**Prof. Xandau** *See what the meaning of life has become and nothing come undone...  
Believe that the healing of time and for truth is worth the wait for you...or for me?*

**The Mind** *Sanctuary wisdom  
Momentary freedom*

**Prof. Xandau** *Get outside and close the door  
join the calm within the storm*

**The Mind** *A new-found relief in my mind has appeared...going home  
The ground of belief and my time has no fear...coming home*

**Prof. Xandau** *Clear your head, just take your time and surrender...  
Breathe in, Breathe out...  
Take a pause, and a little break and remember...  
Reach in, Reach out...  
Breathe in, Breathe out...  
Within, Without...  
Breathe in, Breathe out...*

**Demons** *Denial – You liar – Desire – You belong to me...  
My trial - You liar – My fire...*

## **Epilogue – The Imaginary End...**

**Prof. Xandau** *...this is the end of an ancient time, the final chapter's last rhyme*

**Epilogue** *New days will dawn, old rages are gone...  
The escape is a trapped freedom locked inside  
Magical sceneries, spell- boundaries, the fantasy of the mystery  
Turning the page, summon the rage...  
And meet the moment of truth and history,  
It's a brand new beginning and...The End...*

## **- Artificial Solitaire Deja Vu -**

**Karma/Demons** - *"Lets finish what's been started..."*
